**Ulla Landenmark**

PARTICIPATED IN A PROJECT

**Erasmus+ Funding Opportunities for Youth.**

THE PROJECT TOOK PLACE FROM **16/10/2017**  
TO **20/11/2017** IN **This was online course, Lithuania.**

## TRANSNATIONAL TRAINING AND COOPERATION ACTIVITIES

Transnational Training and Cooperation Activities foster the competence development of professionals in youth related fields. Through the projects, transnational cooperation is enhanced within the youth field as well as with the stakeholders of related sectors. The projects contribute to strengthening the role and quality of youth work and youth policy in Europe.

Erasmus+ is the European Union's programme for boosting skills and employability through activities organised in the field of education, training, youth, and sport. Youth activities under Erasmus+ aim to improve the key competences, skills and employability of young people, promote young people's active participation in the society, their social inclusion and well-being, and foster improvements in youth work and youth policy at local, national and international level.

## Youthpass

With this document we certify that **Ulla Landenmark** took part in a project called **Erasmus+ Funding Opportunities for Youth**. It was a Massive Open Online Course (MOOC). The project was hosted by **Agency of International Youth Co-operation**.

A MOOC is an online course aimed at wide participation and open access via the Internet. It provides materials for studying from distance, presented through videos, readings, and other media, and engages learners through forums to encourage interaction and feedback. Carried out in the context of Erasmus+ Programme, the MOOCs focus on the priority areas of the programme.

Altogether, **468** people took part in the project.

### The overall aim and specific objectives of the project:

Understand how to use funding opportunities and fulfill the funding requirements for international youth exchanges, international voluntary service, mobility of youth workers, and structured dialogue through Erasmus+ Youth in Action Programme.

Learn how to start developing youth and youth workers mobility projects.

Discover good practice examples, tips and hints for developing good quality projects.

Network with other participants of this course and share your knowledge and ideas with them.

### Main contents and activities of the project:

The course offered interactive learning contents online using the Canvas.net platform for hosting massive open online courses. Participants were learning through animated videos, pre-recorded video interviews, video examples from projects. They could take part in online discussions with their peers and practice their knowledge through completing quizzes. Participants were redirected to various educational resources related to international youth work outside of the course.
